COMUNIDAD

Fundacion Comunidad has been working in the Ayacucho, Peru region since 2002. We founded and support a secondary school, four kindergarten schools, a bookmobile project, and a scholarship and nutrition program. Our mission is to give the people the opportunities and tools they need to get themselves and their community out of poverty through education and nutrition. Through careful allocation of our resources, which come solely in the form of private donations, we are creating a self-sustaining bridge for the Indigenous people of the Andes.
